

Total security with Safe-in-lock®

90% Recycled Plastic

Fits any appliance depth 45-60cm

Easy to install

Universal Stacking Kit for washing machine & tumble dryer • *new design*

The optimal solution to save space in the laundry area

CHARACTERISTICS

The **Wpro universal stacking kit** is the **perfect solution to save space in the laundry area**. Made from **90% recycled plastic**, designed in compliance with international regulations to **ensure a secure and stable installation**. It is **easy to install** and **fits any washing machine of standard and slim dimensions (depth 45-60cm)**.

To stabilise the installation, the stacking kit comes with a belt to place around the two appliances. Comes with a **practical slide-out shelf** to load, unload and fold laundry up to 15 kg without bending over.

It includes the following accessories: 8 adhesive antisliding rubber pieces, 4 plastic rigid platelets, 1 "Safe-in-lock®" automatic belt tensioner, a belt cover, a cable tie and a hook.
